Dye Migration. Augusta Sportswear® cannot be held responsible for ink migration on polyester styles that can be attributed to poor ink quality or processing at temperatures exceeding those recommended by the ink manufacturer. **Dyeing.** Because of the variability of the dyeing process, we cannot guarantee perfect continuity of shade across all styles or from one order to the next. Jackets and pants are cut and offered for sale as separates, not as sets. **Decorating.** All embellishment is for photography and catalog purposes only. All styles are sold blank with no decorations applied. Augusta Sportswear® does not offer decorating services.
